

Pieces of Eight

Eat, drink and let's be merry!
Eat, drink and let's be merry!
This is the time to celebrate.
Now that we've got our pay, we'll sing the night away,
All for pieces of eight!

Every day I work and slave to hoist another crate.
What do I get for all my troubles? Pieces of eight!
Eat, drink and let's be merry!
Eat, drink and let's be merry!
This is the time to celebrate.
Now that we've got our pay, we'll sing the night away,
All for pieces of eight!

Every day I work and slave to wash another plate.
What do I get for all my troubles? Pieces of eight!
Eat, drink and let's be merry!
Eat, drink and let's be merry!
This is the time to celebrate.
Now that we've got our pay, we'll sing the night away,
All for pieces of eight!

Every day we work and slave to do a job we hate.
What do I get for all my troubles? Pieces of eight!
Eat, drink and let's be merry!
Eat, drink and let's be merry!
This is the time to celebrate.
Now that we've got our pay, we'll sing the night away,
All for pieces of eight!
And once a month on pay-day, I've cause to celebrate.
I take my money home with me, pieces of eight!

Captain Flint

Captain Flint was an evil man with a black patch on his eye.
He wore a long black moustache to match his black bow tie.
He used the kind of language that wasn't fit to print.
The devil was a gentleman compared to Captain Flint.

Flint, Flint, Flint! As bad as he could be!
Flint, Flint, Flint! The terror of the sea!

Captain Flint was a pirate king who sailed the seven seas.
He boarded every vessel and conquered it with ease.
He plundered every treasure that had a golden glint,
And Midas was a beggar-man compared to Captain Flint.

Flint, Flint, Flint! As bad as he could be!
Flint, Flint, Flint! The terror of the sea!

Flint, Flint, Flint! As bad as he could be!
Flint, Flint, Flint! The terror of the sea!

Somewhere There's A Great Adventure

Somewhere there's a voice inside me crying to be free.
Somewhere there's a great adventure waiting just for me.
I don't know where to look, can't find it in a book,
I only wish that I knew.
I'll know it right away, might even come today,
just know it's gon-na come true.

Somewhere there's a voice inside me crying to be free.
Somewhere there's a great adventure waiting
And it's waiting for me! (Repeat)

Second time

Yes, it's waiting for me!

Rich Rich Rich

Silver:

I'm really not very greedy, a few million dollars will do.
I'll give a few to the needy and spend the rest on me and you!
Cause we're rich, rich, rich! Never have a care.
We have everything!
Yes we're rich, rich, rich! Rich beyond compare! Richer than a king!

Alan:

Now that we have all this money, money that we didn't earn.
Doesn't it seem kind of funny, that now we have enough to burn!
Cause we're rich, rich, rich! Never have a care.
We have everything!
Yes we're rich, rich, rich! Rich beyond compare! Richer than a king!

O'Brien:

Where will we keep all our riches?
There's not even one bank in town. We'll sew more pockets on our britches,
And hope that they will not fall down.
Cause we're rich, rich, rich! Never have a care.
We have everything!
Yes we're rich, rich, rich! Rich beyond compare! Richer than a king!
Yes we're rich, rich, rich! Never have a care! We have everything.
Yes we're rich, rich, rich! Rich beyond compare! Richer than a king!
Yes, Richer than a king!
We're rich! Rich! Rich!

A Pirate Through and Through

A pirate is a sailor man who always likes to roam.
He travels all around the world and calls the sea his home.
And fie on him that ridicules or tells him what to do.
Now that my boy, is a pirate, a pirate through and through.
Yo ho ho and a bottle of rum
We're a motley crew!
Never will we settle down, we're pirates through and through.

A pirate is a stylish gent that no one can deny,
A neckerchief around his head and a patch upon his eye.
And some of the unlucky ones have a wooden leg or two.
And that my boy, is a pirate, a pirate through and through
Yes, that my boy, is a pirate, a pirate through and through

Yo ho ho and a bottle of rum
We're a motley crew!
Never will we settle down, We're pirates through and through.
Singing... Yo ho ho and a bottle of rum
We're a motley crew!
Never will we settle down.
We're pirates through and through.
