

Yes, Sir, Captain. I mean ... (*returns to Mrs. Hawkins*)

(*talking to all*) It's a cold night. (*taps cane on floor*) But I've seen it colder out on the sea.

**PERSON 1:** You've been to sea?

Aye, that I have, mate.

**PERSON 2:** And when was that?

Many years ago.

**PERSON 3:** Who did you sail with?

I sailed with Captain Flint. (*gasps from entire cast*) Ah, I see you have heard of him.

**HAWKINS:** Heard of him!?! Everybody has heard of the famous pirate, Captain Flint. But I thought you said you were a Captain?

I am now! I started out as a first mate under Captain Flint.

**PERSON 1:** Is it true what they say about Captain Flint and his pirate ship?

Probably that and more. I could tell you stories that would make your skin crawl.

**PERSON 2:** Did you ever see anyone walk the plank?

(*glancing around the room*) I've seen more people walk the plank than in this room.

**PERSON 3:** What about the treasure? Where is it buried?

I'm not that stupid as to tell you!

**PERSON 4:** Why not?

No one has ever lived to tell where the treasure of Captain Flint is buried.
